PRODUCT RANGE

Nile Chemicals

NILE CHEMICALS

EXPLOSIVES: Certain Substances reacts exothermically, generating gases, which may explode on heating, hence storage may be required in water or suitable solvent

OXIDISING: Some Substance reacts with oxygen and may cause fire hazard

TOXIC: Certain substance on contact with human body may cause acute or chronic damage

HARMFUL: Certain substance on contact with human body may cause acute or chronic damage

FLAMABLE: Chemicals, Solvents with a flash point below zero degree and boiling point of 35 deg c are termed as flammable items

CORROSIVE: Substance which causes severe damage to living tissues

IRRITANT: Substance which causes irritation on contact with skin etc

DANGEROUS: substance which causes damages to ecosystem

RADIOACTIVE: Substance which evolves radiation in the ecosystem

Nile Chemicals

TERMS AND CONDITIONS OF SALE

Price:

Prices mentioned in the price list are ruling at the time of printing of the Price List and subject to change without prior notice. Goods shall be invoiced at prices ruling on the date of despatch.

Taxes and Duties:

GST Charges will be charged extra as applicable, i.e. at the time of supply. For Exemption of Taxes &

Payments:

Payments are to be made by Demand draft / cheques drawn on "Nile Chemicals" payable at Mumbai. In the event of payment through bank, the customer has to retire the documents immediately on presentation of the documents by the bank. Interest @21% will be charged on all the payments received after due dates.

Bulk Pack Requirements:

Bulk pack requirements will be treated differently for the prices, delivery and discount, depending upon the specific requirement.

Packing :

As per buyers requirement.

Minimum Order & Freight:

All orders of invoice value of Rs.10,000/- and above are offered F.O.R. Destination by Road Transport or Goods Train. Goods can be despatched by Post, Courier / Air or by Passenger Train on customer's request, Freight will be borne by customer. Orders less than Rs.10,000/- will be sent on Freight 'To Pay' basis.

Insurance:

The goods are packed with utmost care and forwarded at Customer's risk. If the customer wants goods to be insured, on his request, the Company will insure the goods in transit at 1½ % of the Invoice value. Charges for insurance will be made on the invoice itself.

Goods Return & Cancellation:

Cancellation of order received after despatching the materials will not be considered. The goods despatched, if deemed to be not as per specifications or of quality requirements, should be returned within 60 days from date of invoice and as per instructions given by the Company.

Special Note:

All products are sold for LABORATORY USE ONLY. We assume no responsibility if they are used as DRUGS, FOOD ADDITIVES or HOUSEHOLD CHEMICALS.

(Subject to Mumbai Jurisdiction)
